ABOUT THE COLLEGE

The Oxford Group started its humble beginning with a nursery school in J P Nagar, Bangalore in the year 1974. It was the brainchild of the founder Late Sri. S. Narasa Raju and the group has grown by soaring heights and accomplished milestones. The Unprecedented LEGACY is being continued through the Chairman Sri S. N. V. L. Narasimha Raju. Despite the competitive environment, Oxford's phenomenal growth would translate the linkage between industry academia, research focus, and prominent teaching fraternity into its consistent academic quality.

We have both undergraduate and postgraduate programs in management stream comprising of BBA; BCOM; MBA; PGDHA and MCOM. Our MBA is the flagship program in Oxford and we pride ourselves on that. We focus on three core principles -education, research, and social participation and we incorporate all three into our commitment with students and other stakeholders. Over the past four decades, we have been determined to continue our revered common mission through our education, research, and programs which benefit the community's good. We offer two-year program affiliated with the University of Bangalore, approved by All India Technical Education Council (AICTE) and NAAC.
