Introduction

The Brain teaser activity of The Oxford College of Business Management organized a during the club hour. The session, led by Dr.M.Surekha, aimed to encourage students to reflect on their future career goals and recognize the competencies needed to achieve them. A brain teaser is a puzzle or activity that stimulates mental effort and encourages creative, out of the box thinking and solve it.

The Brain Teaser activity stimulate cognitive development stimulate cognitive development, enhance problem-solving skills, boost creativity and lateral thinking, foster teamwork, communication, engaging mental exercise, and also Motivate and Engage.

Description

The brain teaser activity organized by the HR club was designed as an engaging and intellectually stimulating event aimed at promoting teamwork, creative problem-solving, and critical thinking among participants. The activity featured a variety of challenging puzzles and riddles, including logic puzzles, word games, and situational problems related to HR concepts and general mental agility. Teams collaborated to decode clues, solve problems, and compete in timed challenges, fostering effective communication and collective strategy formulation. This fun and interactive event not only enhanced participants' cognitive skills but also encouraged team bonding and a positive competitive spirit within the group.

Conclusion

The Brain Teaser activity was enjoyable and insightful, giving MBA students a unique opportunity to combined fun with learning. Beyond academics, the event nurtured skills such as cognitive & Intellectual skills and stronger creativity, confidence building trust among the students. By blending HR with fun, the HR Club successfully created an atmosphere where students learned while competing. The enthusiastic response reaffirmed the importance of such activities in management education. The *Team Building* not only enriched HR concepts but also demonstrated the Department's commitment to building confident and globally informed professionals.
